

Dry Cargo/Ammunition Ship Program (T-AKE)  
Information Paper

- In consultation with the DAB Principals and Advisors, the Acting Under Secretary of Defense (AT&L) signed an ADM for the Navy T-AKE program.
- The ADM approved the following actions:
  - The Navy is authorized to execute the option for the fourth T-AKE ship.
  - T-AKE will be designated as an ACAT IC program once the following has been completed: Navy will provide USD(AT&L) a list of acceptable *funding offsets* for the remaining amount needed to fund the program and the ORD will be changed to reflect more realistic sea state requirements.
